Caso named Interim Executive Director of Eastern Area Agency on Aging

Brewer, Maine (September 1, 2022) – Eastern Area Agency on Aging (EAAA) has named Tabatha Caso as Interim Executive Director.

"The Board of Directors at a special meeting has unanimously appointed Tabatha Caso as Interim Executive Director," says Board of Director President Ellen Angel. "They are convinced Tabatha has the experience to keep the Agency on a forward path as we consider our options as we look towards the future."

For the last three years, Caso has served as the EAAA's Chief Program Officer and will continue in the role as well as Interim Executive Director. Caso got her to start working with older adults and caregivers in 2007 at SeniorPlus Care Coordination. In 2016, Caso left SeniorsPlus as the Quality Assurance and Training Manager to join EAAA as the Director of Community Services.

"I am honored that the Board of Directors appointed me to be the Interim Executive Director," says Tabatha Caso. "It is a wonderful recognition after my years of service at Eastern Area Agency on Aging. We are very fortunate to have great staff, volunteers, board, and community partners who provide support systems and services for older adults, caregivers, and adults with disabilities. I look forward to shifting my responsibilities to focus on furthering the organization's mission with our amazing team."

Caso graduated from Framingham State University in 2005 with a Bachelor of Arts in Human Services and is a Licensed Social Worker. Caso was born, raised, and resides in Bangor. Tabatha and her husband, Rob, have one son who keeps them actively involved with local sports. When they have a break, they enjoy spending time at their camp on Sebec Lake.

Caso takes over the role of Executive Director during an exciting time for the agency as it looks at expanding programs. In August, EAAA reopened three community cafe sites that had been shut down since March 2020—also expanding wellness and social opportunities at the Durgin Center.

EAAA is holding its biggest fundraiser of the year this month, the "Senior" Prom. The Prom will be held on Friday, September 16, at the Morgan Hill Event Center in Hermon and is open to anyone 21 and over to attend. More information can be found at eaaa.org/seniorprom.

EAAA, a local nonprofit organization, has provided services to older adults, caregivers, and adults with disabilities in Penobscot, Piscataquis, Hancock, and Washington counties since 1973.
